### Description

1. Provide an overview of the system or collection and indicate the legislation authorizing this activity.

**The systems that comprise the Medicare Pricing Systems Family provide software and data files to Medicare contractors and other entities for use in processing claims for Medicare covered services; provide reports for reconciliation of Medicare expenditures; provide research capabilities in the form of lookup applications.**

2. Describe the information the agency will collect and how the agency will use the collected information. Explain how the data collected are the minimum necessary to accomplish the purpose for this effort.

**CMS will collect data from provider associations such as the American Medical Association, from workgroups of which CMS is a member and from data owned by CMS. The collected information are used to support policy decisions related to Medicare payment policies and to create systems appropriate to paying Medicare claims. The data collected is not personally identifiable information.**

3. Explain why the information is being collected.
4. Identify with whom the agency will share the collected information.
5. Describe how the information will be obtained, from whom it will be collected, what the suppliers of information and the subjects will be told about the information collection, and how this message will be conveyed to them (e.g., written notice, electronic notice if a web-based collection, etc.). Describe any opportunities for consent provided to individuals regarding what information is collected and how the information will be shared.
6. State whether information will be collected from children under age 13 on the Internet and, if so, how parental or guardian approval will be obtained. (Reference: Children's Online Privacy Protection Act of 1998)
7. Describe how the information will be secured.
8. Describe plans for retention and destruction of data collected.

9. Identify whether a system of records is being created under section 552a of Title 5, United States Code (the Privacy Act), or identify the existing Privacy Act system of records notice under which the records will be maintained.
